EQUIPMENT RENTAL AGREEMENT: TERMS AND CONDITIONS

1. EQUIPMENT RENTAL. Customer hereby agrees to lease from HydroScientific West the Equipment identified on the Rental Request Form, and as consideration therefore, Customer agrees to pay the rental fees in the amounts and within the time frames set forth on the Rental Request Form in addition to tax and shipping charges. Customer and HydroScientific West agrees that this Agreement shall apply to all Equipment leased by Customer from HydroScientific West and that HydroScientific West may, from time to time, modify, supplement and amend the Rental Request Form to reflect the lease or return of Equipment by the Customer under this Agreement

2. TERM AND TERMINATION. Equipment is rented on a weekly or monthly basis with a 1 week minimum rental period. The rental period shall commence on the date HydroScientific West ships Equipment to Customer and shall be automatically extended until the date the Equipment is returned to the possession of HydroScientific West. This Agreement shall continue in full force and effect until (a) the Equipment is returned by Customer to the Company and all amounts due hereunder have been paid, (b) the Equipment is purchased by Customer on terms mutually acceptable to Customer and HydroScientific West, or (c) HydroScientific West provides written notice of the desire to terminate the Agreement. Upon termination of this Agreement, the Customer will surrender, at Customer's cost and expense, the Equipment in good working order to HydroScientific West. Notwithstanding the termination of this Agreement, Customer shall continue to be responsible for the payment of all charges and costs incurred hereunder through the date of termination.

3. PAYMENT. A valid credit card is required for the rental and other charges contemplated by this Agreement (including payment for the Equipment in the event of loss or damage as provided in this Agreement). Customer hereby authorizes HydroScientific West to charge the provided credit card to pay for the charges covered by this Agreement. Customer's credit card will be charged the day HydroScientific West ships equipment to Customer.

4. DELINQUENT PAYMENTS: DEFAULT. Any payment that becomes 30 days past due will be charged a delinquency fee of 1.5% per month (18% annum) on the unpaid balance.

5. DELIVERY AND RETURN. All equipment is provided FOB Poway, CA. Shipment will be made by Second Day Air via UPS, unless otherwise specified by customer, and at customer's expense. Unless customer notifies HydroScientific West within 72 hours of delivery, it shall be conclusively presumed that the Equipment was delivered to Customer in good operating condition. Equipment must be returned to HydroScientific West by the same method as originally forwarded by HydroScientific West to Customer using the same original shipping containers, packing materials and methods. Customer shall return Equipment to HydroScientific West in the same condition has it was originally received by Customer.

6. INSURANCE AND LIABILITY. Customer must supply to HydroScientific West their Certificate of Liability showing HydroScientific West as an Additional Insured – Loss Payee. Customer's insurance must have adequate property coverage to cover the replacement cost of the Equipment. In the case that the Customer does not have sufficient insurance to cover the replacement cost of the rented equipment, Customer will be required to obtain sufficient insurance before Equipment can be rented. During the term of this Agreement, the Customer shall be solely responsible for any loss or damage to the Equipment. The Customer shall also be solely liable for all claims, including but not limited to claims for personal injury or damage to property, arising, directly or indirectly, out of the use of the Equipment. The Customer hereby assumes and shall bear the entire risk of loss for theft, damage, destruction or other injury to the Equipment from any and every cause whatsoever. No such loss or damage shall impair any obligation of the Customer under this Agreement, which shall continue in full force and effect. In the event of damage to, loss or theft of the Equipment (or any component thereof), the Customer shall pay the total of all unpaid rent payments for the entire Agreement term plus any repair costs due to damage or replacement costs due to loss or theft, in which case this Agreement shall terminate except for any Customer duties, as of the date such payment is received by HydroScientific West.

7. OWNERSHIP: USE. The Equipment shall remain the property of HydroScientific West and is provided to Customer solely on a rental basis without any option to purchase unless otherwise specified through a signed and written agreement by and between HydroScientific West and Customer. Customer shall not sublease, rent, transfer, assign, sell, alter, modify or encumber any item of Equipment without written consent by HydroScientific West.

8. OBJECTION TO AGREEMENT. If Customer objects to any terms or conditions of this Agreement, Customer shall notify HydroScientific West in writing of Customer's specific objections. Such objections shall not be binding upon HydroScientific West unless HydroScientific West agrees in writing to such amendments to the Agreement. HydroScientific West reserves the right to reject Customer's objections to the Agreement and refuse rental to Customer.
